COPARTNERSHIP.

THE undersigned have this day entered into Copartnership under the firm of A. BOND & Co. and will continue to manufacture Lasts, Boot trees, &c., which may be found at the sign of the *Big Last* nearly opposite the Phoenix Hotel as good assortment as can be found in Boston, and at the lowest Boston prices.

A. BOND having received a good share of patronage heretofore, we flatter ourselves that we shall receive the same as we have made arrangements to receive the latest fashion from Boston monthly, and are fully confident we can make as good an article as can be made in the New England States.

All orders may be directed to Col. Chase Hill, Concord, N. H., where they will meet with prompt attention, he being made agent for the Company, articles sent to order not suit-
ing may be exchanged.
